

Uzbekistan Student Study Tour Program

乌兹别克斯坦学生研学团

2026 年 3 月

Project Background 项目背景

In response to the core demand of Uzbekistan students for “Chinese Language + Professional Skills”, the School of Financial Technology Application of Zhejiang Financial College has integrated high-quality educational resources to create a trinity study tour system of “Language Empowerment + Skill Foundation + Cultural Immersion”. Through interesting and practical activity designs, the program helps students improve their Chinese application ability and professional practical skills, broaden their international horizons, enhance cross-cultural understanding, and build a solid platform for the future career development and friendly cooperation of young people from both countries.

乌兹别克斯坦学生“中文+专业技能”的核心需求，浙江金融职业学院金融科技应用学院整合优质教育资源，打造“语言赋能+技能筑基+文化浸润”的三位一体研学体系。通过趣味化、实操性的活动设计，帮助学生提升中文应用能力与专业实操技能，拓宽国际视野，增进跨文化理解，为两国青年未来职业发展与友好合作搭建坚实平台。

Project Overview 项目概况

The 7-day study tour program is designed for Uzbekistan students to enhance their comprehensive abilities and build a platform for Sino-foreign cooperation.

项目面向乌兹别克斯坦学开展 7 天研学，助力提升综合能力，搭建中外合作平台。

- **Theme:** Dual Improvement of Chinese Language + Professional Skills — AI-Enabled Educational Innovation and Financial Technology Application Practice

  主题：中文+专业技能双提升——AI 赋能教育创新与金融科技应用实践

- **Number of Participants:** Minimum 10 people (student group)

  参与人数：10 人成团（学生群体）

- **Duration:** March 2026 (7 days in total)

  时间：2026 年 3 月（共计 7 天）

- **Venue:** Zhejiang Financial College

  地点：浙江金融职业学院

Camp Introduction 营地介绍

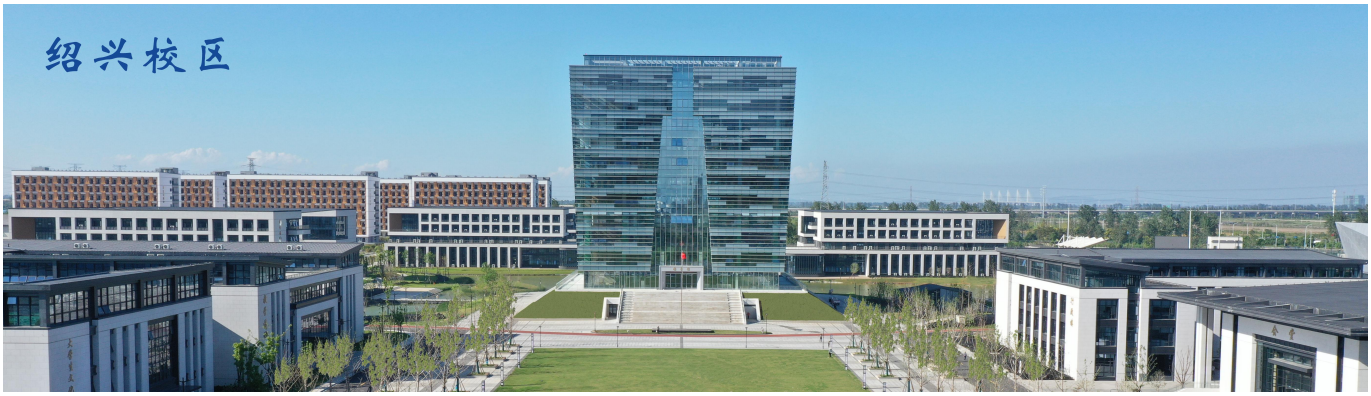
Zhejiang Financial College 浙江金融职业学院

Zhejiang Financial College, located in Hangzhou, Zhejiang Province, is a public full-time higher vocational college sponsored and managed by the People's Government of Zhejiang Province. It has 11 secondary colleges and offers 30 higher vocational programs. The campus covers an area of approximately 593 mu (about 39.5 hectares), with nearly 700 faculty members and more than 12,000 students.

The college has cooperated with City University of Seattle (USA) and Concordia University Irvine (USA) to launch Sino-foreign cooperative education programs in International Business and Big Data & Accounting. It has also approved the Sino-German Advanced Manufacturing Education Cooperation Program of Artificial Intelligence by the Ministry of Education. Twelve standards have been adopted, certified, promoted and applied by the education authorities of countries such as The Gambia and Thailand.

浙江金融职业学院（Zhejiang Financial College），位于浙江省杭州市，是一所由浙江省人民政府举办，浙江省管理的公办全日制普通高等职业学校，下设11个二级学院，开设30个高职专业，学校占地约593亩，学校有教职工近700人，在校生12000余人。

学校与美国西雅图城市大学、美国尔湾协和大学合作举办国际商务、大数据与会计专业中外合作办学项目，立项教育部人工智能中德先进制造业教育合作项目。12项标准获冈比亚、泰国等国家教育主管部门采纳认证和推广应用。



Project Highlights 项目亮点

- Focus on the dual core of “Chinese Language + Financial Technology”, with courses tailored to career development needs, balancing language application and professional practice;
- 聚焦 “中文 + 金融科技”双核心，课程贴合职业发展需求，兼顾语言应用与专业实操；

- Integrate three-dimensional scenarios of campus teaching, enterprise visits and cultural experiences, theoretical implementation and cross-cultural perception proceed in parallel;
- 融合校园教学、企业参访、文化体验三维场景，理论落地与跨文化感知并行；

- Cooperate with leading technology enterprises and professional exhibition halls in Hangzhou to provide immersive industrial practice and direct access to the cutting edge of the industry;
- 联动杭州头部科技企业与专业展馆，提供沉浸式产业实践，直击行业前沿；

- Integrate tradition and modernity, with cultural experiences including tea art, calligraphy and traditional sports, balancing fun and cultural immersion.
- 传统与现代交织，文化体验涵盖茶艺、书法、传统体育，兼顾趣味性与文化浸润感。

Visits and Exchanges 参访交流

With Chinese application as the link, professional skills as the core, and cultural experience as the supplement, through directional teaching, immersive practice and cross-cultural interaction, the program improves students′ Chinese communication ability, professional practical level and cross-cultural adaptability, empowering young people to grow into compound talents with international perspectives.

以中文应用为纽带，以专业技能为核心，以文化体验为补充，通过分方向教学、沉浸式实践与跨文化互动，提升学生中文沟通能力、专业实操水平与跨文化适应力，赋能青年成长为具备国际视野的复合型人才。

Zhejiang Dahua Technology Co., Ltd.
浙江大华技术股份有限公司

A world-leading provider of smart IoT solutions and operation services centered on video, committed to making society smarter and life better.
是全球领先的以视频为核心的智慧物联解决方案提供商和运营服务商。致力于让社会更智能，让生活更美好。

Xiaoshan Robot Expo Center
萧山机器人博览中心

The first professional robot exhibition and experience center in Zhejiang Province. With the shape of "a butterfly breaking out of its cocoon", the venue integrates industrial display, interactive experience, popular science education and competition hosting.
是浙江省首家机器人专业体验中心，场馆以 “破茧彩蝶” 为造型，集产业展示、互动体验、科普教育与赛事举办于一体。

China National Tea Museum
中国茶叶博物馆

The only national first-class museum themed on tea and tea culture in China. Featuring “the museum in the tea and tea in the museum”, it is an open ecological museum. Visitors can experience tea customs and watch tea-roasting performances.
是中国唯一以茶和茶文化为主题的国家一级博物馆，以 “馆在茶间、茶在馆内” 为特色，是无围墙的生态型博物馆。可体验茶饮风俗，更有炒茶技艺表演。

China National Silk Museum
中国丝绸博物馆

The world’s largest professional silk museum. Its architecture integrates traditional and modern styles, fully showing the elegant texture of silk. It is a core venue for the study tour group to feel the charm of Chinese silk and understand the cultural origin of the “Belt and Road”.
是全球最大的丝绸专业博物馆，建筑融合传统与现代风格，尽显丝绸典雅质感。是研学团感受中国丝绸魅力、理解 “一带一路” 文化渊源的核心场所。

Application Guidelines 报名须知

Project Management
项目管理

The project will be accompanied by experienced team leaders who provide comprehensive management and companionship to students. Meanwhile, the project team will give pre-departure guidance to participants to ensure they fully understand the relevant precautions during the exchange.

项目将由丰富经验的领队陪同大家，对学生全方位的管理和陪伴。同时，项目组在出发前给予学员行前指导，确保充分了解交流期间的相关注意事项。

Accommodation
住宿安排

Accommodation will be arranged in student apartments equipped with air conditioning and private bathrooms.

项目将安排入住学生公寓。 配有空调、独立卫浴。

Meal
餐食安排

Three meals a day (breakfast, lunch, and dinner) are provided. Meals are served in the college cafeteria; if the daily itinerary involves an off-campus visit, it is recommended to have meals at characteristic restaurants near the visit location are recommended.

项目提供早餐，午餐和晚餐。 在学校餐厅就餐，如当天行程为外出参访，则推荐在参访地的特色餐馆用餐

Transportation
交通安排

Airport transfers between the destination airport and the hotel are provided. During spare time, participants can take convenient public transportation in the city.

目的地机场往返酒店的接机和送机，课余时间，学员可搭乘所在城市便捷的公共交通。

Visa
签证事宜

Visa fees are at the participant's own expense, including preparing required materials and booking an appropriate visa application time.

签证费用自理。准备所需材料预约合适的递签时间等。

Round-trip tickets
往返机票

Round-trip air ticket fees are at the participant's own expense. Participants can entrust the project team to purchase group round-trip air tickets or buy them independently.

往返机票费用自理。学员亦可委托项目组购买团体往返机票也可自行购买往返机票。

Cost
费用组成
